Projects

- ❖ **Portfolio (view source code) : This is my personal portfolio**
- ❖ **Indian National Flag (view source code) : This is my first project using HTML and CSS only. Basically it is a CSS animation practice project.**
- ❖ **Guess the random number (view source code) : This is a complete frontend project cum game using HTML, CSS and JavaScript with random number generation by machine and guess by human to check it.**
- ❖ **Tic-Tac-Toe (view source code) : This is a interesting game with pure JavaScript, and basically using the array method.**
- ❖ **To-Do list (view source code) : This is a frontend project using pure JavaScript to create a to-do list. (still working now).**
